

Bangkok International Trade & Exhibition Centre

Elevated walkway to BTS skytrain station due for completion in mid-2017

Meeting facilities on 2nd floor

Spacious concourse area on G Floor

Retail zone on B1 Floor

Capacity. Convenience. Connectivity.

These are the expectations of any world-class event, convention and exhibition venue. As the ultimate destination for vibrant, creative and inspiring events, Bangkok International Trade & Exhibition Centre (BITEC) offers all this, and more.

BITEC's latest expansion will bring an exciting new era for MICE events in Southeast Asia that go above and beyond conventional conceptions to offer a 70,000 sq.m. one-stop destination ready to cater for every type of event or exhibition imaginable.

Whether you are planning a world class international trade or consumer exhibition, a global congress or hosting a significant industry convention, BITEC's focus on connectivity in its newly expanded, flexible facilities are set to offer an unparalleled opportunity to unite clients with partners and match vendors with consumers.

Ease of access is characterised by direct access to the city's convenient and reliable skytrain system via an elevated skywalk to BTS Bang Na station. Entertainment options are

amplified with a dynamic central area filled with retail, dining and entertainment venues. Connectivity is enhanced with always-available Wi-Fi Internet throughout the exhibition centre, enabling guests to stay connected to their emails and social media platforms while on site.

Event organisers will enjoy improved accessibility, with individual drop-off zones for each Event Hall, heavy duty flooring and direct-access loading bays for convenient setup and tear down. Exhibitors will shine with a comprehensive range of facilities and services designed to accentuate each aspect of appeal to potential clients, while BITEC's experienced and professional service teams can help every exhibition exceed even the loftiest expectations.

Most importantly, all guests will celebrate every aspect of the enhanced connectivity this development brings to BITEC. With convenient access by skytrain, major roads and airports as well as close proximity to hotels and Bangkok's abundant attractions, BITEC will be the complete one-stop MICE destination in Southeast Asia.
