Situated right at the heart of the city, Bangkok has a state of the art Convention Centre, fully integrated with a Five Star Hotel and world class shopping and entertainment facilities.

The Bangkok Convention Centre and the Centara Grand together make a stunning landmark on the city skyline. Inspired by the shape of a blooming lotus and its symbolic theme of the four elements of life: water, earth, air and fire.

Connected to CentralWorld, Bangkok's world class shopping centre which incorporates hundreds of retail and dining outlets including leading brand names such as Isetan Department store and 15 movie theatres, the whole development constitutes a unique and unbeatable combination of meeting, business, accommodation, entertainment and shopping facilities all together in one place - CentralWorld.

Situated in the heart of Bangkok's business district, delegates will also find many Tourist attractions within easy reach.
